

Regine Duau

Director of Compliance and Audit Operations
Lowers & Associates

Professional Summary

Regine Duau is the Director of Compliance and Audit Operations at Lowers & Associates, bringing over a decade of expertise in compliance, audit, consulting, vendor management, and customer relations. With a strong background in the armored carrier industry, including her previous role as Vice President of Strategic Accounts at Loomis US, Regine has played a crucial role in driving operational excellence within the Cash in Transit (CIT) and Cash Vault Services (CVS) sector. Her extensive experience in managing multimillion-dollar contracts, overseeing audits across hundreds of sites, cash handling, street operations, consulting services for financial institutions, and improving client relationships has positioned her to elevate L&A's CIT practice to new heights.

Regine's dual BBA degrees in Finance and Marketing from The University of Texas at San Antonio, along with certifications in strategic partnerships and business development, make her an invaluable asset to L&A. Her leadership ensures that clients receive the highest level of service, compliance, and operational efficiency in an industry where reliability and security are paramount.
